**Data Security & Confidentiality Agreement - FD Business Service Pvt. Ltd.**

**Effective Date: 1st April', 2026**
**Employee Name: _____**
**Employee ID: _____**
**Designation: _____**

---

**1. Purpose**

This agreement outlines the responsibilities of employees regarding the protection of sensitive information belonging to **FD Business Service Pvt. Ltd.**, its clients, and its customers. The aim is to prevent unauthorized access, use, disclosure, modification, or destruction of data.

---

**2. Scope**

This agreement applies to:

- All employees, trainees, interns, and third-party associates.
- All types of information — electronic, printed, verbal, or visual.
- All devices and platforms used for company operations (CRM, GDS, email, etc.).

---

**3. Definition of Confidential Information**

Confidential information includes but is not limited to:

- **Customer Information:** Name, contact details, passport information, payment card details, travel itineraries.
- **Client Information:** Contracts, pricing, service level agreements, business strategies.
- **Company Information:** Financial data, HR records, sales scripts, internal processes.
- **System Access:** Usernames, passwords, security tokens .
- **Proprietary Tools & Data:** CRM/GDS configurations, lead databases, sales/marketing plans.

---

**4. Employee Obligations**

Employees agree to:

1. **Use data strictly for work purposes** as authorized by the company.
2. **Access only the information required** to perform assigned duties.
3. **Not share login credentials** or allow anyone to use their system access.
4. **Avoid storing company/customer data** on personal devices, USB drives, or cloud storage.
5. **Not transmit confidential data** over unauthorized channels (personal email, messaging apps, social media).
6. **Secure their workstation** by locking screens when away and ensuring no visible sensitive data on desks ("Clean Desk" Policy).
7. **Report any suspected data breach** immediately to their Team Lead and the IT Security Team.
8. **Return all company assets and delete confidential data** from personal possession upon exit from the company.

---

**5. Prohibited Activities**

- Printing or writing down customer data without authorization.
- Taking screenshots of CRM/GDS screens for personal use.
- Discussing customer or client details in public areas or over insecure calls.
- Using personal devices to photograph company information.
- Selling, copying, or misusing company/customer data for personal gain.

---

**6. Monitoring & Compliance**

- The company reserves the right to **monitor emails, call recordings, CRM activity logs, and internet usage** to ensure compliance.
- Any suspected or confirmed breach will be investigated by HR, IT Security, and Legal teams.

---

**7. Consequences of Breach**

A breach of this agreement may lead to:

- Immediate termination without notice.
- Forfeiture of Full & Final Settlement (FNF) benefits.
- Recovery of financial losses from the employee.
- Civil or criminal legal action under applicable laws, including:
    - **IT Act, 2000 & Amendments**
    - **Indian Penal Code (IPC) Sections 378 & 403** (Theft & Misappropriation)

---

**8. Survival of Obligations**

The obligations in this agreement **remain in effect even after** the termination of employment.

---

**9. Acknowledgement**

I, **[Employee Name]**, understand and agree to abide by all the terms outlined in this Data Security & Confidentiality Agreement. I acknowledge that:

- I will handle all company, client, and customer information with the highest level of security.
- I am responsible for any misuse of information under my access.
- I understand the legal and disciplinary consequences of a breach.
